

AWAKENING INTENSIVE PRESENTATION AND MUSIC PERFORMANCE

An Evening of Entertainment and Enlightenment

Profound transformation is possible and available for those who are ready. People from around the world have directly experienced who they truly are at the Awakening Intensive. By facing who you have mistakenly believed yourself to be, you find your way to the truth of who you really are. It happens RIGHT NOW in the Intensive.

This evening will combine a presentation of the principles of Awakening with live music performance by Baskin' and Rockin' (Jason and Sally). Come and find out what all the buzz is about!

**“The Awakening Intensive was the best thing I've ever done for myself! After a lifetime of confusion and despair, I experienced unparalleled transformation into the radiant being that I now know I truly am.
I fell in love. I found myself and I'm not letting go!”
